

CHAMINADE COLLEGE ALUMNI ASSOCIATION

Chaminade College School

Gentlemen of the Alumni

As you know, this year is Chaminade's 50th Anniversary. It is a milestone achievement, and we are writing to you to help the past, present and future of Chaminade.

Chaminade College School (CCS) is as strong and proud today as it was in 1965. It continues to provide excellent education and, expand the minds of the young men who attend the College.

Today, under the strong Leadership of a dedicated and involved Teaching staff, our School has grown to produce an environment where young men are able to develop in all areas, including Academics, Sports, Arts and Faith. Today there are currently 10 **Alumni** who teach at Chaminade. The re-investment of people speaks volumes of the profound impact that the school has had on our lives. This year is a milestone achievement for the Past, Present and Future of Chaminade. Your achievements over the years can be re-invested back into the school by preserving a Legacy of Support Foundation.

Ensuring that all of our donations will be directed to the Needs of the school, the **Chaminade College Alumni Association** has accepted the task of reaching out to Alumni for this 50th Anniversary Giving Campaign. Our **Alumni Association** will proudly report to its membership information about how the Donations are distributed.

Our Campaign is now under way and we are reaching out to YOU for your Financial assistance. It is **NOW** our time to show our allegiance to CCS.

Kindly read through the ATTACHED FORM to this letter and determine how you can assist us. Your sponsorship will be re-invested in programmes and student support at CCS.

Leadership is by example and Your donations shall endeavour to do so.

We look forward to seeing you at many of the ALUMNI events celebrating our Anniversary. Check us out on our website.

Respectfully on the behalf of the,

CHAMINADE COLLEGE ALUMNI ASSOCIATION

Ralph
